In the following decades, the plant near the Cologne-Minden train station in Bielefeld was expanded to include several production facilities.. For over 100 years – until 1976 - the company was based across the street from the main railroad station, where the hotel Bielefelder Hof and the municipal exhibition hall are now situated.. I had it working a few days ago then it seems there was an over travel (on the X i assume) while moving the X in manual mode..
